PROBLEMS   OUTPUT   DEBUG CONSOLE   TERMINAL   PORTS

⌛ Installing autograder packages (this may take a few minutes)...
✅ Autograder packages installed.

It looks like your assignment might be out of date. Try running:

        git pull origin main

to fetch any updates, and then re-run your code.

Running test: test_applicants_set... 🖊

✅ test_applicants_set passed! 🚀

Running test: test_match... 🖊

✅ Matched student 'Tripp Nava'
✅ test_match passed! 🚀

🚀🚀🚀 Congratulations, your code passed all the autograder tests!
🚀🚀🚀
